The **HBC105** Huxford Bar Cooler or Bar Chiller commercial refrigerator takes up minimal space, has a non-slip plastic top and/or can be fitted under a bench or counter. **The internal operating temperature is between 0-10°C so it is suitable for drinks and beverages.** Designed with compact components for maximum storage capacity and visibility through the front curved lockable glass door. The front, top mounted bright internal LED lights illuminate the contents, perfect for attracting customer attention to product. **Complying with Australian (and NZ) Government MEPS (Minimum Energy Performance Standards) this unit is rated 3M2.** A mechanical controller on the rear for temperature and light switch on top right for the internal lighting. Designed for everyday use. **Suitable for up to 25°C ambient temperature.**

**HBC105 Advantages**
**Warranty\***

- 1 Year Standard Warranty (Parts & Labour)

**Compliance**

- MEPS 3M2

**Lockable Curved Door**

- Features a lockable stylish curved glass door

**HUXFORD HBC105 BAR COOLER / CHILLER COMMERCIAL DISPLAY FRIDGE**
