¹Performed under test conditions

MEPS RATED

3M1 & 4M1

The **HSM40** Huxford Standard Merchandiser is a reliable double door commercial display refrigerator. The internal operating temperature is between 0-4°C so it will store and display dairy, meat, seafood, processed foods (all potentially hazardous foods) as well as perishable foods and beverages. Unique airflow technology keeps the contents consistently chilled to temperature. Designed with compact components for maximum vertical storage capacity and wide visual display area, capable of holding an ample amount of product. The top illuminated sign panel and bright internal LED lights covering almost all of the internal height, are perfect for attracting customer attention to product. Complying with Australian (and NZ) Government MEPS (Minimum Energy Performance Standards) this unit is rated 3M1 & 4M1. Features a Carel digital controller that also controls the internal light and digitally displays the temperature. These units are designed for everyday use. Suitable for up to 40°C ambient temperature.

HSM40 Advantages

Warranty*

- 2 Years Extendable Customer Care Warranty or 1 Year Standard Warranty (both Parts & Labour)

Compliance

- MEPS 3M1 & 4M1

Stainless Base

- Stainless steel internal base

Blue Coat Evaporator

- Evaporator has Blue Coat corrosion protection

Maintenance

- Easy to remove service cover

HUXFORD HSM40 STANDARD MERCHANDISER 2 DOOR COMMERCIAL DISPLAY FRIDGE
