MEPS RATED

3M1, 4M1 & 5M1

The **HFM20PLUS** Huxford Floor Mount Plus is a reliable single door commercial display refrigerator. The internal operating temperature is between 0-4°C so it will store and display dairy, meat, seafood, processed foods (all potentially hazardous foods) as well as perishable foods, drinks and beverages. Designed with compact components for maximum vertical storage capacity and wide visual display area, capable of holding an ample amount of product. The top illuminated sign panel (removable) and bright internal LED lights covering almost all of the internal height, are perfect for attracting customer attention to product. Complying with Australian (and NZ) Government MEPS (Minimum Energy Performance Standards) this unit is rated 3M1, 4M1 & 5M1 and will save you on electricity costs. Features a Carel digital controller that also controls the internal light and digitally displays the temperature. These units are designed for everyday use. Suitable for up to 40°C ambient temperature.

HFM20PLUS Advantages

Warranty*
- 2 Years Extendable Customer Care Warranty or 1 Year Standard Warranty (both Parts & Labour)

Compliance
- MEPS 3M1, 4M1 & 5M1

Controller
- Electronic Carel temperature controller

Servicing
